BREVARD FLAGLER VOLUSIA

Maker Faire® Palm Bay

What is Maker Faire?

Maker Faire is a gathering of fascinating, curious people who enjoy learning and who love sharing what they can do.

From engineers to artists to scientists to crafters, Maker Faire is a venue for these "makers" to show hobbies, experiments, projects.

We call it the Greatest Show (& Tell) on Earth - a family-friendly showcase of invention, creativity, and resourcefulness.

This family-friendly event showcases the amazing work of all kinds of makers across Brevard and beyond—anyone who is embracing the DIY or DIT (do-it-together!) spirit and wants to share their accomplishments with an appreciative audience.

Participate as a **Maker**

The first step to participating in the Maker Faire is to submit an entry that tells us about yourself and your project. Entries can be submitted from individuals; groups such as hobbyist clubs and schools; commercial makers or crafters; startups; and companies.

Makers, Vendors, and Exhibitors

Submit your Application for Palm Bay Maker Faire 2025

This application serves as a request to participate at the Palm Bay Maker Faire 2025 as a Maker or Vendor

(Vendors will pay a \$50 fee if you are selling products)

Please email marifer@fit.edu if you have any questions.

Note: Maker Faire is a mostly outdoor event with limited space available indoors for select exhibitors.

How to Fix Things or Take them Apart

Soldering

Simulators

Dance Groups

Bands

Gymnastics

Martial Arts

Cosplay

If you're not sure, ASK!

Participate as a **Maker**

Continued

Important Information:

Maker Faire is a mostly outdoor event with limited space available indoors for select exhibitors.

Makers will be required to provide their own tables and chairs and tent/canopy should they require one. If using a tent, each corner must be secured with a minimum of 25lbs.

A limited number of tables and chairs are available on a first request basis.

The performance stage will be outdoors.

Become a Sponsor

If you'd like to support STEAM (Science, Technology, Engineering, Arts & Math) education in Brevard County and throughout the central Florida region, please consider sponsoring Maker Faire Palm Bay. Funds will be used to cover costs of this community STEAM awareness event.
